

WHAT TO DO AT THE LAKE

At the Lake of the Ozarks, the main attraction is the water. The lake runs 92 miles end to end and has over 1,150 miles of shoreline. Boating, jet skiing, water-skiing, wakeboarding, knee-boarding and parasailing are only some of the many things to do on the water.

The lake is also famous for its scenic golf courses. Currently there are fifteen golf courses in the lake area, and counting! For those who enjoy mini-golf instead, there are eight exciting miniature golf courses within minutes of Robin's Resort.

There are countless other activities at the lake. You may want to check out these other attractions when you come to visit: 110 Store Factory Outlet Mall, the largest state park in Missouri, the famous "Bridal Cave" or one of the other 3 show caves, Big Shot Amusement Park, Big Surf Water Park, one of the 50 antique stores, Go-Carts, The Bagnell Dam Strip, museums, and much, much more. Visit the official website of the Lake of the Ozarks to view more information. (www.funlake.com).

After a long day of activities, you can relax for a meal at one of the 100+ restaurants. Many restaurants are either on, or overlooking the water.

MARINA RENTALS

We are centrally located to six (6) marinas that sell gas or rent waverunners, ski boats, pontoon boats or fishing boats. Contact numbers for boat and other rentals are available upon request. This applies to Fishing Guides as well.

RESERVATIONS OFFICE & RECREATION ROOM

Robin's Rec Room is open from 9:00 a.m. until 10:00 p.m.. In addition to our video games, we also have snack and beverage vending machines, and a bill changer for your convenience. The Office is located in the same building and is open from 9:00 a.m. to 8:00 p.m.

ROBIN'S OUTDOOR POOLS & HOT TUBS

Robins now has two separate pools – one measuring 25' x 50', and a new pool overlooking the main channel! Each pool area also has its own outdoor hot tub for our guests to use.

Robin's pools are the ideal place to spend a hot Summer afternoon relaxing by the water's edge. The pool areas are open Memorial Day weekend through Labor Day weekend. The hot tub by the office is open year round.

SWIMMING DOCK

Robins features a floating swim dock, easily accessible from the shore.

ROBIN'S HEATED FISHING DOCK

Robin's heated fishing dock is one of our most popular features. The dock is 24' x 20' which includes a 16' x 8' opening for fishing. There are windows for ventilation, and a wood burning stove for cold days, chairs, cable television, and, most importantly, a fully enclosed area to fish!

BOAT DOCKS

Robin's new docks bring our total to four, capable of docking anything from a small fishing boat to a large cabin cruiser. The following slip sizes are available:

- 10' x 20'
- 12' x 30'
- 14' x 40'
- 16' x 40'

Robin's boat slips rent very quickly, so please be sure to tell us if you're bringing your boat. All boat stalls are covered and include electric, padded wells, use of our level launch ramp and trailer parking.

FISHING AT ROBIN'S RESORT

Robin's guests who love to fish tell us that there are some great spots located just off our point. Robin's guests routinely catch large catfish, crappie and even the occasional walleye fishing right on our point. Robin's also plays host to a number of fishing tournaments throughout the year.

BOAT LAUNCH

Most boat ramps at the lake are tough to navigate, but our launch is so open that even large boats can launch without a problem! Robin's ramp extends out into the lake at a gradual rate, and drops the boat right into deep water, avoiding hazards that could damage your boat. Trailer parking is also provided for our guests.
